

Discover a better and faster way to handle your litigation matters with our automated Florida Litigation volume. It contains more than 530 procedural and substantive forms from Client Intake through Trial and Settlement, including automated discovery requests and responses. While it contains the automated forms you need on a daily basis, this volume really shines in the way it gives you a competitive edge in your litigation matters. It levels the playing field when you compete against larger, better funded opposing counsel by enabling you to generate your documents in a fraction of the time you need today with your present forms.
