

We created our Texas Criminal Prosecution volume especially for the chronically under funded, understaffed, and overworked County and District Attorneys' offices. We created specifically to bring huge efficiencies to the process of drafting legal documents, thereby slashing the time and manpower needed for these purposes. Our Criminal Prosecution Volume contains 90 to 95 percent of the documents your office uses on a daily basis, plus a number of forms that are typically difficult for you to find.

## **CHAPTER 1: ADMINISTRATIVE**

- 1-1 Letter to Clerk Transmitting Pleading
