

## Texas Adoptions and Paternity

We've made Adoptions matters much simpler and faster by automating these content-intensive forms. The ProDoc Adoptions volume contains more than 60 automated forms covering not only Adoptions, but also Termination and Paternity. While the volume includes the forms in the State Bar of Texas' Family Law Practice Manual<sup>1</sup>, you'll also receive automated local forms and agency, i.e. Texas Vital Statistics, forms. In addition to all the necessary petitions and orders, our complete Adoptions package also includes a variety of ancillary forms, such as affidavits, notices, and ad litem forms.

### **TERMINATION**
