

We've made Adoptions matters much simpler and faster by automating these content-intensive forms. The ProDoc Adoptions volume contains more than 70 automated forms covering not only Adoptions, but also Termination and Paternity. While the volume includes the forms in the State Bar of Texas' Family Law Practice Manual¹, 3rd ed. it also contains automated local forms and agency forms, i.e. Texas Vital Statistics, forms. Additionally, it also includes a variety of ancillary forms, such as affidavits, notices, and ad litem forms.
