

The more than 465 automated forms in this volume are designed to be the cornerstone of an estate planning practice. Lipman's Wills & Trusts is sophisticated enough for any high-end estate planning project, yet simple and flexible enough to handle smaller estates as well. The forms in this volume cover all aspects of estate planning, including the preparation of wills, living trusts, powers of attorney, medical powers of attorney, HIPAA releases, directives to physicians, irrevocable trusts, buy-sell agreements, and even pre- & post-marital property agreements.
